CORE MESSAGES

1. Until housing as a human right is achieved we need to protect civil rights and basic survival
2. Demands addressing homelessness and poverty from a social justice perspective of addressing racism, classism, and similar issues
3. Responds to discriminatory enforcement of laws targeted at poor and homeless people
4. Broadens our communities, not just a homeless bill – forces solutions

SECONDARY MESSAGES

1. Hygiene center
2. Good for the whole community
3. Responds to outreach
4. Historical Context
