

Join us on Saturday, Oct 1st at 10 am at the Oakwood Rec Center
for the latest information on the proposed
Venice Beach Business Improvement District (BID)

Several Venice commercial property owners and the City of Los Angeles are partnering to establish a BID in Venice Beach.

BIDs are comprised **solely** of commercial property owners, **exclude** the voices of other Venice businesses, residents, and stakeholders, and have a long history in the City of **promoting gentrification, increasing division** among stakeholders, and **illegally targeting** homeless residents with privately run security patrols. The proposed Venice Beach BID will also include about **\$450,000** a year in City general funds with virtually no City or public oversight.

Due to hearing violations by the City Council, the entire BID election process is starting over. Now is the perfect time to make your voice heard!

Join us **Saturday, Oct 1st** to find out more information, discuss how to prevent the BID's approval, and how to hold a BID accountable if it does get approved!
