

## How Can I Help with the “March for Homes, Rights, and Dignity”?

**When: Saturday December 15<sup>th</sup> 10am**

**Where: Across from the Triangle at Lawrence and Park Ave – to End at City Hall**

Thanks for being down to help make this March the strongest call of the people for basic human rights and needs! Here are some ways you could help:

- Flyer on the streets! Make copies of the flyer or contact us to get copies of the flyer to pass out if you don't have copying capacity. Pass out the flyers on the streets to folks who are homeless or anyone who might join us! Bring copies to service centers, businesses, or anywhere you can post on a bulletin board. Tape them up to post around the city.
- Share, like, and comment on facebook! Spread the word on social media telling people to come and why you will be there to stand up for our survival.
- Make a video saying why you will be there and what this means to you! Share that on social media and email. Send it to us to share too!
- Make a model house or tiny home that you can carry in the march.
- Bring a tent or blanket that you can carry in the march. If you have the resources, buy one you can give out to someone in need at the end of the march.
- Bring water bottles or snacks for people on the march.
- Bring food to City Hall at the end of the march.
- Bring your body, your voice, and your energy to stand up for housing for all and the right to survive!

Contact Denver Homeless Out Loud with any questions, comments, concerns, or to notify us in what ways you can help!
